ATHENA will collaboratively convene a Young Women’s Leadership Initiative [YWLI] at AIDS 2016 with Access Chapter 2 and the Women’s Networking Zone in order to ensure that young women’s leadership is a core component of the WNZ, and a centerpiece of our collective strategy.

We will also use our #WhatWomenWant campaign as a platform to mobilize women and young women throughout the conference, and to link them to a larger movement. Our aim is to provide a mentored, coordinated experience at AIDS 2016 bringing together, creating space for, and promoting dialogue with young women leaders in coordination with the Women’s Networking Zone, Link Up, and Access Chapter 2.

Young women are invited to:

#1 Join a YWLI whatsapp group linking young women together in advance of and throughout the conference. To join the group, please send your mobile phone number to Ebony Johnson

#2 “Let’s talk about it at the Zone”
